If you need a flute or a drum, Amy and I have selected quality flute and drum makers and you can pre-order (**highly recommended**) your instrument at the time of registration. The cost for either instrument is \$75, and they will be ready for you at the beginning of the workshop. If you do not pre-order, some will be available through our Tree of Life Books and Gifts Store; however, we cannot guarantee the same price or that they will be in stock. Quantities will be very limited.

Our program:

- Experience the sacredness of your Flute and Drum.
- Learn proper care and maintenance of your sacred instrument.
- Participate in basic playing and allow the voices of nature to flow through you and your sacred instrument.
- Experience one-on-one drumming and fluting so that you and your instrument are vibrational aligned.
- Experience fluting and drumming as a relaxing expression of your inner creative voice.
- Experience Clearing, Cleansing, and Balancing, through the use of your flute and drum.
- Learn how to clear and cleanse others through drumming and fluting.
- Experience Native Drumming, Native Fluting and Chanting and the excitement of playing around the Sacred Fire.

Amy and I are privileged to present our Flute and Drum Experience at sacred Camp Chesterfield this fall. This Experience will heighten your awareness of natural energies evoked through these wonderful, spiritual, instruments and teach you how to use them for healing, balancing, personal growth, pleasure, and enjoyment. We are confident that you will find our presentations enlightening, challenging, pleasant, and fun. From our hearts to yours: John "Medicine Bear" Doerr & Amy "Drum Woman" Weimer
