About the cover

Camp is beautiful all year long, but especially so during the Summer when spirit rises in the grass, flowers and trees. All of nature is filled with spirit, and spirit shows herself beautifully in the bloom of Summer vegetation. We hope you will join us this year and revel in the beauty of spirit growing and blooming at Camp.

DECLARATION OF PRINCIPLES

- ❧ We believe in Infinite Intelligence.
- ❧ We believe that the phenomena of nature, both physical and spiritual, are the expression of Infinite Intelligence.
- ❧ We affirm that a correct understanding of such expression and living in accordance therewith constitute true religion.
- ❧ We affirm that the existence and personal identity of the individual continue after the change called death.
- ❧ We affirm that communication with the so-called dead is a fact, scientifically proven by the phenomena of Spiritualism.
- ❧ We believe that the highest morality is contained in the Golden Rule: "Whatsoever ye would that others should do unto you, do ye also unto them."
- ❧ We affirm the moral responsibility of the individual, and that we make our own happiness or unhappiness as we obey or disobey nature's physical and spiritual laws.
- ❧ We affirm that the doorway to reformation is never closed against any human soul here or hereafter.
- ❧ We affirm that the precepts of prophecy and healing contained in the Bible and all sacred writings of the world are Divine attributes proven through mediumship.

Camp's Film Première of
John E. Fetzer and the Spiritualist Camp,
Camp Chesterfield

DATE: Sunday, September 15, 2019

TIME: 5:00 PM

(doors will open at 4:30; a reception will immediately follow the film
in the Maxon Cafeteria)

**PLACE: Chapel in the Woods,
Historic Camp Chesterfield**

Admission: Free

John E. Fetzer and the Spiritualist Camp, Camp Chesterfield is one episode in a series of documentary films being made by the Fetzer Memorial Trust on the life of John Fetzer. This 55-minute segment looks back at the many trips John Fetzer made to the world-renowned Spiritualist camp—Camp Chesterfield—from 1934-1974.

John E. Fetzer was a prominent 20th Century radio and television pioneer and long-time owner of the Detroit Tigers Major League Baseball club. John lived most of his adult life in Kalamazoo, Michigan, and had a serious, life-long dedication and interest in mystical and metaphysical pursuits.

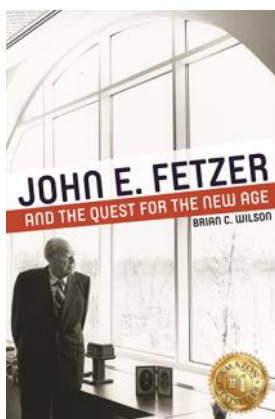

Rev. Prof. Todd Jay Leonard (center) and Mr. Bruce Fetzer (right) confer with the film director and camera crew during filming in the Hett Art Gallery and Museum in April 2017.

For 40 years, John attended one or more weekends at Camp Chesterfield during many (if not most) summers and he particularly came to develop a deep trust for the talented mediumship of Charles Swann, Lillian Dee Johnson, and Clifford Bias, Camp Chesterfield resident mediums.

In this film, Mr. Fetzer's great-nephew, Bruce Fetzer, and Camp Chesterfield Historian and Archivist, Rev. Prof. Todd Jay Leonard, leisurely stroll the grounds of Camp Chesterfield visiting various landscape displays and buildings, discussing in detail John Fetzer's frequent visits to the camp and the value he gained from attending camp events and séances. Bruce and Todd sit and chat at the 'toad stools', visit the Trail of Religion, the Tree of Life bookstore, the Western Hotel, and the Hett Art Gallery and Museum, as well as visiting Rev. Wahna Irvine's séance room.

In the film, the audience will see and hear about many of the spiritual artifacts John brought home over the years from Camp Chesterfield, including personalized Spirit Cards and Spirit Photos. Also featured are the opening minutes of an actual séance!

All attendees of the première will be gifted with a hardback copy of the book “John E. Fetzer and the Quest for the New Age” by Brian C. Wilson.

“I feel that we are on the threshold of a new order where people will be seeking enlightened change... This will all come about with the infusion of spirituality into science.” — John E. Fetzer

10 Hints for a Good Reading!

- 1. Seek a medium's help at a time when you are relaxed and undisturbed. If not, put your mind at ease RELAX!**
- 2. Allow the medium to proceed in his or her manner. Don't expect your biggest concern to be discussed at once. PATIENCE!**
- 3. No medium wants or needs help. Let them know when they are correct. BE FAIR!**
- 4. Skepticism, demanding proof, arguing or wanting things done your way, only leads to failure. EXPECT GOOD!**
- 5. Spirit often manifests by name. However, evidence comes in many other ways as well, such as descriptions, relationships, symbols, etc. BE WILLING TO VERIFY!**
- 6. Do not be too quick to say, "No." Wait! YOU WILL SOON UNDERSTAND.**
- 7. The true value of a reading isn't always measured by prophecy. Prediction is always possible, but you have free will to make changes in your life. GUIDANCE IS THE KEY NOTE!**
- 8. Mediumship is not fortune telling! A good reading should explain the philosophy of right living. EXPECT TRUTH!**
- 9. Every medium has a unique way of delivering a reading. Comparing the abilities of one medium with another is unfair.**
- 10. Trying to prolong a reading accomplishes nothing. The medium realizes when the spirit connection has ended. PLEASE COME AGAIN!**
